Aussie of the Month:
Congratulations to William Schreiber, Red Cliffs Primary School's Aussie of the Month for October.
William is a fantastic role model who always displays a positive attitude. He leads by example and is always friendly and helpful.
William is also Chaffey House Captain.
Well done William!

School Disco:
The School Disco will be held next Wednesday, November 6th.
This year's theme is "Halloween". We need some volunteers to come in at 9am to help set up and decorate the Multi-purpose room.
We also need five volunteers from 6.30pm to 8pm to help supervise, prepare food and do a quick clean up after the senior disco. Please call the office if you are able help.

Science News

This week: -

Prep children will explore how the seasons affect our daily lives.

Gr. 1 & 2 children will compare natural, managed and constructed features in a landscape.

Gr. 3 & 4 students completed revision activities to reinforce their understanding of the Earth, sun and the moon.

Gr. 5 & 6 students learned about Jovian planets and the use of space probes to gather important scientific information.

Did you know the Moon has no atmosphere? This means there is no wind to erode the surface and no water to wash footprints away. Amazingly the footprints of the Apollo astronauts, along with spacecraft prints, rover-prints and discarded material will be there for millions of years.

Wanted:

One female tabby kitten.
Contact the office if you can assist….

Great Behaviour in the Yard:

Congratulations to Cameron Johns (gr.3), Iona Brolese (gr.6) and Tom Ferron (gr.6) for their Great Behaviour in the Yard this week.
Enjoy those free Crunchas kids.

This Week's Birthdays……
